

# FIGHT THE BITE

DESTROY MOSQUITO BREEDING SITES

MOSQUITO  
AWARENESS  
WEEK

## PREVENT MOSQUITO FROM BITING YOU AND TRANSMITTING DISEASES.

- Wear long sleeves and trousers.
- Use repellents on skin and clothing.  
Ask an adult for information and help.
- Avoid places with standing water, garbage piles, uncut grass, or vacant lots.
- Help eliminate mosquito breeding sites.
- If you have already been bitten and have fever + headache + rash + nausea or vomiting: do NOT medicate yourself.  
See a doctor.
